Dear Governor Christie,

My business is located in the Vineland-Millville Urban Enterprise Zone. As a UEZ business we have been advised that your administration is contemplating making changes and/or perhaps terminating the UEZ program. Thanks to this program, my business **(TYPE NAME OF BUSINESS HERE)**, was able to obtain low interest financing which enabled me to **(TYPE PURPOSE OF YOUR LOAN PROJECT)** so that my business can continue with operations and/or expand creating **(TYPE NUMBER)** jobs.

I am requesting that you reconsider any decision to terminate the UEZ program since it will severely impact not only the UEZ businesses, but our community at large. This program has assisted in our local economy and has been very successful in the creation of jobs, start-ups and expansion of businesses.

Sincerely,
